

Lancaster Community School District

Instruction

REMEDIAL READING INSTRUCTION

The Lancaster Community School District shall employ a professional staff member certified by the department of public instruction (DPI) who has earned at least six semester credits in courses dealing with measurement of reading skills and achievement and/or the diagnosis of reading difficulties. He/she shall direct and/or perform locally identified activities designed to identify students in grades K-4 who are underachieving in reading as outlined in state law and regulations.

This person shall also direct and/or perform activities designed to diagnose the reading deficiencies of the underachieving student and shall recommend activities that may be used to reduce the deficiency. Such instruction and services shall be coordinated with all other reading instruction.

The District may receive and use federal funds to support reading activities in grades K-4 in accordance with law.

The director of instruction shall see that the District is in compliance with this policy.
