

Policy of the Lancaster Board of Education

Support

**BUILDING AND GROUNDS MANAGEMENT**

The school district shall maintain sufficient insurance coverage to protect itself against casualty losses and liability claims which may be brought against it. Insurance protection for buildings and grounds shall be purchased through local agents when practical.

Buildings and grounds shall be equipped in a safe manner and in accordance with building codes of the State of Wisconsin, Department of Industry, Labor and Human Relations. Recommendations of insurance underwriters shall be followed in safety and fire protection programs.
