**LOCKER ROOM PRIVACY**

The Lancaster School District shall take the following reasonable measures to protect the privacy of individuals using school locker rooms:

- Under no circumstances can a person use a camera, video recorder, cell phone or other recording device to capture, record or transfer a representation of a nude or partially nude person in the locker room. Any other use of a camera, video recorder or other recording device in the locker room requires the prior permission of the building principal or designated locker room supervisor and the person being photographed, videotaped or recorded.
- No media are allowed access to locker rooms before, during or after any school athletic event or practice. Coaches and student athletes may be available for interviews directly outside the locker room, consistent with District policy and school rules.
- Other persons can enter into the locker room to seek information from an individual in the locker room only at times authorized by the building principal or designated locker room supervisor. If an authorization is given, the person shall leave the locker room immediately after the information is received.

Anyone who violates this policy shall be subject to school discipline action and/or penalties under state law.

The building principal or designated locker room supervisor, as applicable, shall be responsible for enforcing this policy.

This policy shall be posted in every school locker room in the District.
