Do not leave a laptop/chromebook in a cold car for more than an hour if the temperature is below freezing. Leaving a computer in freezing conditions can actually cause permanent damage to the battery and LCD screen. Electronic devices will sustain damage at different temperatures, so avoid leaving them for long. At zero degrees your LCD screens can actually freeze.

The GSA Club will meet in the HS IMC on Monday, Jan. 17th during homeroom A.

Any current juniors or seniors that are interested in a career in law enforcement or related career? The Wisconsin American Legion Law Enforcement Career Academy (WALLECA) is the perfect experience for those students. This program of The Wisconsin American Legion is a 6 day academy held at the Wisconsin State Patrol academy at Ft. McCoy. The academy is scheduled for July 24 – 29, 2022. Cadets attend at no cost, as we are supported by valued sponsors. The cadets are housed at the dorms at the State Patrol Academy.

The academy consists of 26 female and 26 male cadets. The cadets are chosen from their applications that they submit. The link to the application is attached below. The application requires signatures from a parent, a school counselor and a law enforcement professional. We want students who are in good standing at their school and in their community as they are the future law enforcement professionals. The students who are chosen to attend will be notified in April.

The curriculum consists of fire arms training, physical training, ethics, crime scene investigation, arrest tactics, OWI enforcement, Department of Natural Resources, Human trafficking, and many more classes.

Many of our graduates are already working in law enforcement professions. They credit this academy with their success.

The application for the Wisconsin American Legion is due March 25, 2022. The completed application can be printed, completed, then mailed to:

Wisconsin American Legion Law Enforcement Career Academy
P.O. Box 388
Portage, WI 53901

Or scanned and emailed to:
