From the Lunch Room: PLEASE DO NOT THROW SILVERWARE AWAY!

I only have 72 extra metal spoons in the Storage Room. I cannot get any more because my suppliers don't have any.

I also have not been able to get plastic spoons for the last 2 weeks. Metal forks have also been unavailable for 3 weeks.

When we don't have any silverware left we will not be able to put them out for lunch.

If you want to eat with a spoon or fork you will have to bring your own from home when we run out. I hope it does not come to that but it is looking like it may happen.
