SWTC: On Tuesday, April 5, Southwest Technical College is holding their annual Program Visit Day. This event is in-person and allows high school students the opportunity to choose two programs to shadow where they will meet instructors, learn more about the program(s) they're interested in, connect with current students, and more! The event runs from 10 AM – 2:30 PM and includes a free lunch.

For more information about the event and to register, you can go to www.swtc.edu/programvisit. If transportation is an issue for your students, please reach out and let us know as we may be able to help.

New News :D

The Summer Coding Camps at UW-Platteville are a fun and engaging way to learn from computer science, cybersecurity and software engineering experts. All three exciting camps are hosted on the UW-Platteville campus. Each event is open to entering high school freshmen, sophomores, juniors and seniors.

- **Computer Games Programming (Wed 6/8-Fri 6/10)**. Learn computer science concepts and programming in Python by designing computer games. Instructor: Dr. Afzal Upal.
- **Cyber Defense (Mon 8/15-Fri 8/19)** Learn how hackers attack computer systems so that you can defend yourself and others. Instructor: Dr. Bassam Zahran
- **Hackathon (Sat 8/20)**. Compete with other students for up to \$5,000 in scholarship to study Cybersecurity at UW-Platteville. All students from the Cyber Defense camp will be automatically registered in the Hackathon. Those who're not taking part in Cyber Defense camp must register for this event.

Please visit <https://www.uwplatt.edu/summer-coding-camps> to reserve a spot in the camps and for more information.

FBLA Update: Congratulations to Paige Lolwing who placed 3rd in Graphic Design and was inducted as our Region 4 Vice President. Kelly Freymiller who placed 3rd in Agribusiness. Both are qualified to compete at Nationals in Chicago at the end of

June. Megan Lucey placed 5th in Client Services and is the 1st alternate for Nationals. Good Job Everyone that attended State! You represented Lancaster well.

We still need 12 swim helpers for Tuesday, April 5th. Please stop by the guidance office to sign up and pick up a permission slip. Thank you!

If you are not an OJT student, do not park in the OJT parking area.

Reminder News

Hockey Club! Please join our Remind group by texting @3787k7 to 81010!

eSports members, remember to check Discord daily for competition times and other notes

***Please slow down when using the back drive--student safety is a concern--When leaving school, please exit through the fairgrounds, head to Sheridan Street and go down Maple Street. Also, PLEASE STOP honking your vehicle horns as you are leaving the parking lot. This is a safety issue.**

Information for Southwest Tech's summer nursing assistant courses is now available on our website at: [Nursing Assistant offered at Southwest Tech \(swtc.edu\)](https://www.swtc.edu/nursing). Please share this with any students who may be interested in taking the course this summer. Two session options will be offered starting on June 1 and June 27. Theory will be online and lab skills will take place on campus during the first 3 weeks. It is planned for clinical to once again take place through a long-term care facility in the communities. It is expected that students will need to be COVID vaccinated or be able to obtain a waiver/exception from a facility.

Please note that Start College Now does not apply to summer courses, but students may take the course through the CESA #3 Youth Apprenticeship Program. Please connect with Tom Martin or Chuck Keller at CESA for the application for any students who may want to participate through YA.

If you or your students have any questions on the summer Nursing Assistant course, please feel free to contact the instructor, Jill Henry, at jhenry@swtc.edu.

Medical Associates is proud to offer an exciting opportunity for individuals seeking a career in healthcare! Our **100% fully-funded Certified Medical Assistant (CMA) Scholarship** offers selected candidates an 11-month Medical Assistant program at NICC and a guaranteed, full-time job placement with benefits after successful completion of the program!!

CMA's are one of the fastest growing health care professions. They perform administrative and clinical functions in a medical office. CMA's are valuable to Medical Associates and can be found in almost all of our clinical departments working alongside clinical staff to support our 180+ providers.

We encourage interested individuals to apply as soon as possible! To qualify, candidates must have their high school diploma or GED by Aug, 2022; apply and be accepted into the NICC Medical Assistant Program (separate application through NICC). NICC CMA application site can be found here at <https://www.nicc.edu/admissions/apply/> . Customer service experience is strongly preferred, healthcare background preferred but not required.

Please share this opportunity with your students, and direct them to our website for more information and to apply today! Learn More: [Certified Medical Assistant \(CMA\) Scholarship - 100% Fully-Funded!!](#)

If you have any questions about the Certified Medical Assistant (CMA) scholarship, please reach out to Human Resources at careers@mahealthcare.com or call 563.584.4225.
