

Lancaster Community School District

Board of Education

ADMINISTRATION IN POLICY ABSENCE

The District Administrator shall have the power to take necessary action within the school system when the Board of Education has provided no guide for administrative action. In such cases, his/her decisions shall be subject to review by action of the Board at a regular or special meeting.

It shall be the duty of the District Administrator to inform the Board promptly of such action and of the need for policy.

APPROVED: September 11, 1985

REVISED: October 16, 2002
