Board of Education

BOARD MEMBER DEVELOPMENT OPPORTUNITIES

The Board of Education believes that inservice training for its members is vital in order for the Board to govern the District in the most informed and prudent manner possible. Informed decision-making grows more important as school governance becomes increasingly complex.

In keeping with this position, the Board encourages Board members to attend appropriate school board conferences, conventions, seminars and workshops that are in line with established budgetary limitations. Board members shall report to the Board on inservice sessions they have attended and shall share information, materials and recommendations acquired by attending such sessions.

Annually, the Board shall select one of its members to represent the Board at the Wisconsin Association of School Board's (WASB) Delegate Assembly.
