

Lancaster Community School District

Administration

ADMINISTRATOR EVALUATION

The Board of Education and the District Administrator shall meet on or before January 31st in closed session for discussion and evaluation of the District Administrator's performance during the current school year.

The Board, District Administrator, and other administrators shall, if requested, meet in January in closed session for discussion and evaluation of the administrators' performance during the current school year.

Administrative evaluations shall be in accordance with state law and established procedures.

The evaluations shall be based on administrative duties and responsibilities as outlined in the respective job description.
