

GRADUATION REQUIREMENTS

In order to graduate from Lancaster High School and receive a diploma, students must:

1. Satisfy a total of 25.00 credits in the following subjects.

4	credits of English
3	credits of Social Studies
3	credits of Math
3	credits of Science
1	additional credit from the above areas or in Foreign Language or Computer Science during senior year
1.5	credits of Physical Education
.75	credit of Health
<u>8.75</u>	elective credits
25.00	Total Credits

Credits earned in grades 9 through 12 are counted.

Students with individual schedule conflicts may upon the recommendation of the counselor and approval of the principal be allowed to satisfy their physical education and/or health graduation requirements out of the usual sequence.

Upon the recommendation of the counselor and the approval of the principal, the graduation credit requirements may be modified for students who transfer into the District. Students having deficiency in required credits because of different course work/graduation requirements at their previous school may apply for modification, if they would have met the graduation requirement in their prior school. However, any modification must include meeting the State of Wisconsin minimum requirement for graduation.

Students with exceptional educational interests, needs or requirements, including student with disabilities and limited-English proficient students may be provided with alternative education programs for high school graduation. Such alternative education programs shall be established in accordance with state law requirements. A student who successfully completes the alternative education program shall be granted a high school diploma.

2. Be enrolled in a class or participating in a Board-approved activity during each class period of each school day while attending high school.
3. Be in high school attendance for eight semesters, except as otherwise permitted under the Board's policy on early graduation.
