

STUDENT REPRESENTATIVE ON SCHOOL BOARD

The Lancaster Board of Educational encourages student participation in decision making for the district.

The high school student may serve a one-year term as student representative to the school board. The selection will be made annually through an application which is located in the high school office. The recommendation of the student member(s) will be selected by the administrative team in September and will extend through August of the following year.

The student representative will serve in a non-voting capacity to represent student interest on the board. The student representative may attend all regular and special meetings, with the exception of closed sessions, and will be allowed to enter into board discussions or make reports.

The student representative will serve at the pleasure of the student council and the school board.

The student representative shall abide by all rules, regulations and Rules of Order established by the Board.
