

Policy of the Lancaster Board of Education

Students

**EMERGENCY NURSING SERVICES**

Emergency nursing service shall be provided under the direction of a nurse registered in Wisconsin. A physician shall serve as medical advisor for the emergency nursing services. Written policies shall be established and shall include procedures dealing with accidental injury, illness, and medication at all school-sponsored activities. Services shall be available during the regular school day including curricular and co-curricular activities of pupils. Equipment and supplies shall be readily accessible. An in service of first aid training shall be provided for designated district personnel. Provision shall be made for liability insurance coverage of individuals who provide emergency nursing service.

An annual review shall be made of the emergency nursing services by the school board using the following:

- a) The District Administrator's recommendation that the program components as outlined above are provided.
- b) The statistical report and recommendations of the nurse and medical advisor.
- c) Recommendation from a school health council which includes parents, teachers, and students.
