

Lancaster Community School District

Personnel

**SUPPORT STAFF DEVELOPMENT OPPORTUNITIES
(Training)**

School secretaries and teacher assistants are trained under the supervision of building principals who may be assisted by other experienced employees in the field.

Maintenance workers and custodians are trained on-the-job under the direct supervision of the head custodian.

The head cook is responsible for the management of all food service.
School bus drivers are allowed to practice driving school buses under the supervision of the transportation director. Bus driver licenses must be earned through written tests and road tests conducted by the department of motor vehicles.
