

COURSE REGISTRATION 2020-2021

SOPHOMORES

Please put careful thought into your course selections. The coursework you take should be challenging and prepare you for success in your post-high school plans. Lancaster High School course offerings also allow you wonderful opportunities to explore new areas and cultivate new interests. Enjoy your opportunities!!

REQUIRED COURSES

As sophomores, five of the eight class periods you take are filled with required courses. They are English II, Western Civilizations, Biology, Mathematics and Health /Physical Education. While math is required, you choose the math course that is appropriate for you: Algebra II, Geometry, Honors Geometry and Pre-Calculus.

STUDY HALL

Students may not have more than one study hall that meets every day. Students who take Concert Choir, however, will also have a study hall that meets every other day opposite Concert Choir.

ELECTIVE COURSES

As sophomores, you have an expanded menu of elective courses from which to choose. Again, this is your chance to challenge yourself, explore new interests and/or partake in the arts. The electives from which you can choose are listed below by subject areas. **Indicates Laude Course. # Indicates Instructor Approval.*
