December 14, 2021

Dear Families,

Following our COVID-19 Matrix, the Lancaster School Board approved on November 17, Winskill students and staff will be required to wear face coverings starting tomorrow, **December 15, 2021**, and continue until the end of the school day **December 23, 2021**, while in the Winskill building. Our Matrix indicates when Winskill has 11 individuals (2% of Winskill's student population) who tested positive over the past seven days, all individuals in the building will wear face coverings for 14 days.

The Middle School/ High School Dashboard numbers currently do not impact our Matrix; therefore, face coverings for individuals in these buildings will continue to be optional.

Thank You,

A handwritten signature in black ink that reads "Rob Wagner".
