February 2024

Dear parents and current 6th grade students:

It's time to select classes for next year! Please look over the 2024-2025 Course Selection Guide for course descriptions. On the back of this page you will find the required classes and a place for your child to write in their elective choices for next year. Please note your child has room for **three semester electives**. All electives after the first three will be considered alternates and will only be chosen if there is a scheduling conflict with the first three choices. Please fill in all five choices. **Band is a yearlong course and takes the place of two elective slots.**

For example:

<b>Elective 1st Choice</b>	Band
<b>Elective 2nd Choice</b>	Band
<b>Elective 3rd Choice</b>	Study hall (may sign up for one per semester)
<b>Elective 4th Choice</b> ( <i>Alternate</i> )	PLTW Flight & Space
<b>Elective 5th Choice</b> ( <i>Alternate</i> )	Spanish Exploratory

There will be a course registration night on **Wednesday, February 28 at 5:00 pm in the High School Commons**. We are asking that ALL students, accompanied by a parent/guardian, attend one of these sessions. This is an important opportunity for the students, parents, and the school to collaborate to create the optimal student schedule. Please bring this planning sheet with you along with your child and his/her Chromebook. They will be registering via PowerSchool on their Chromebook using their student account. If you cannot attend either of these sessions, please contact me at the number or email below.

Sincerely,

Stephanie Foster  
School Counselor
